THE ADDRESS OF BEAUTIFUL CHANGE

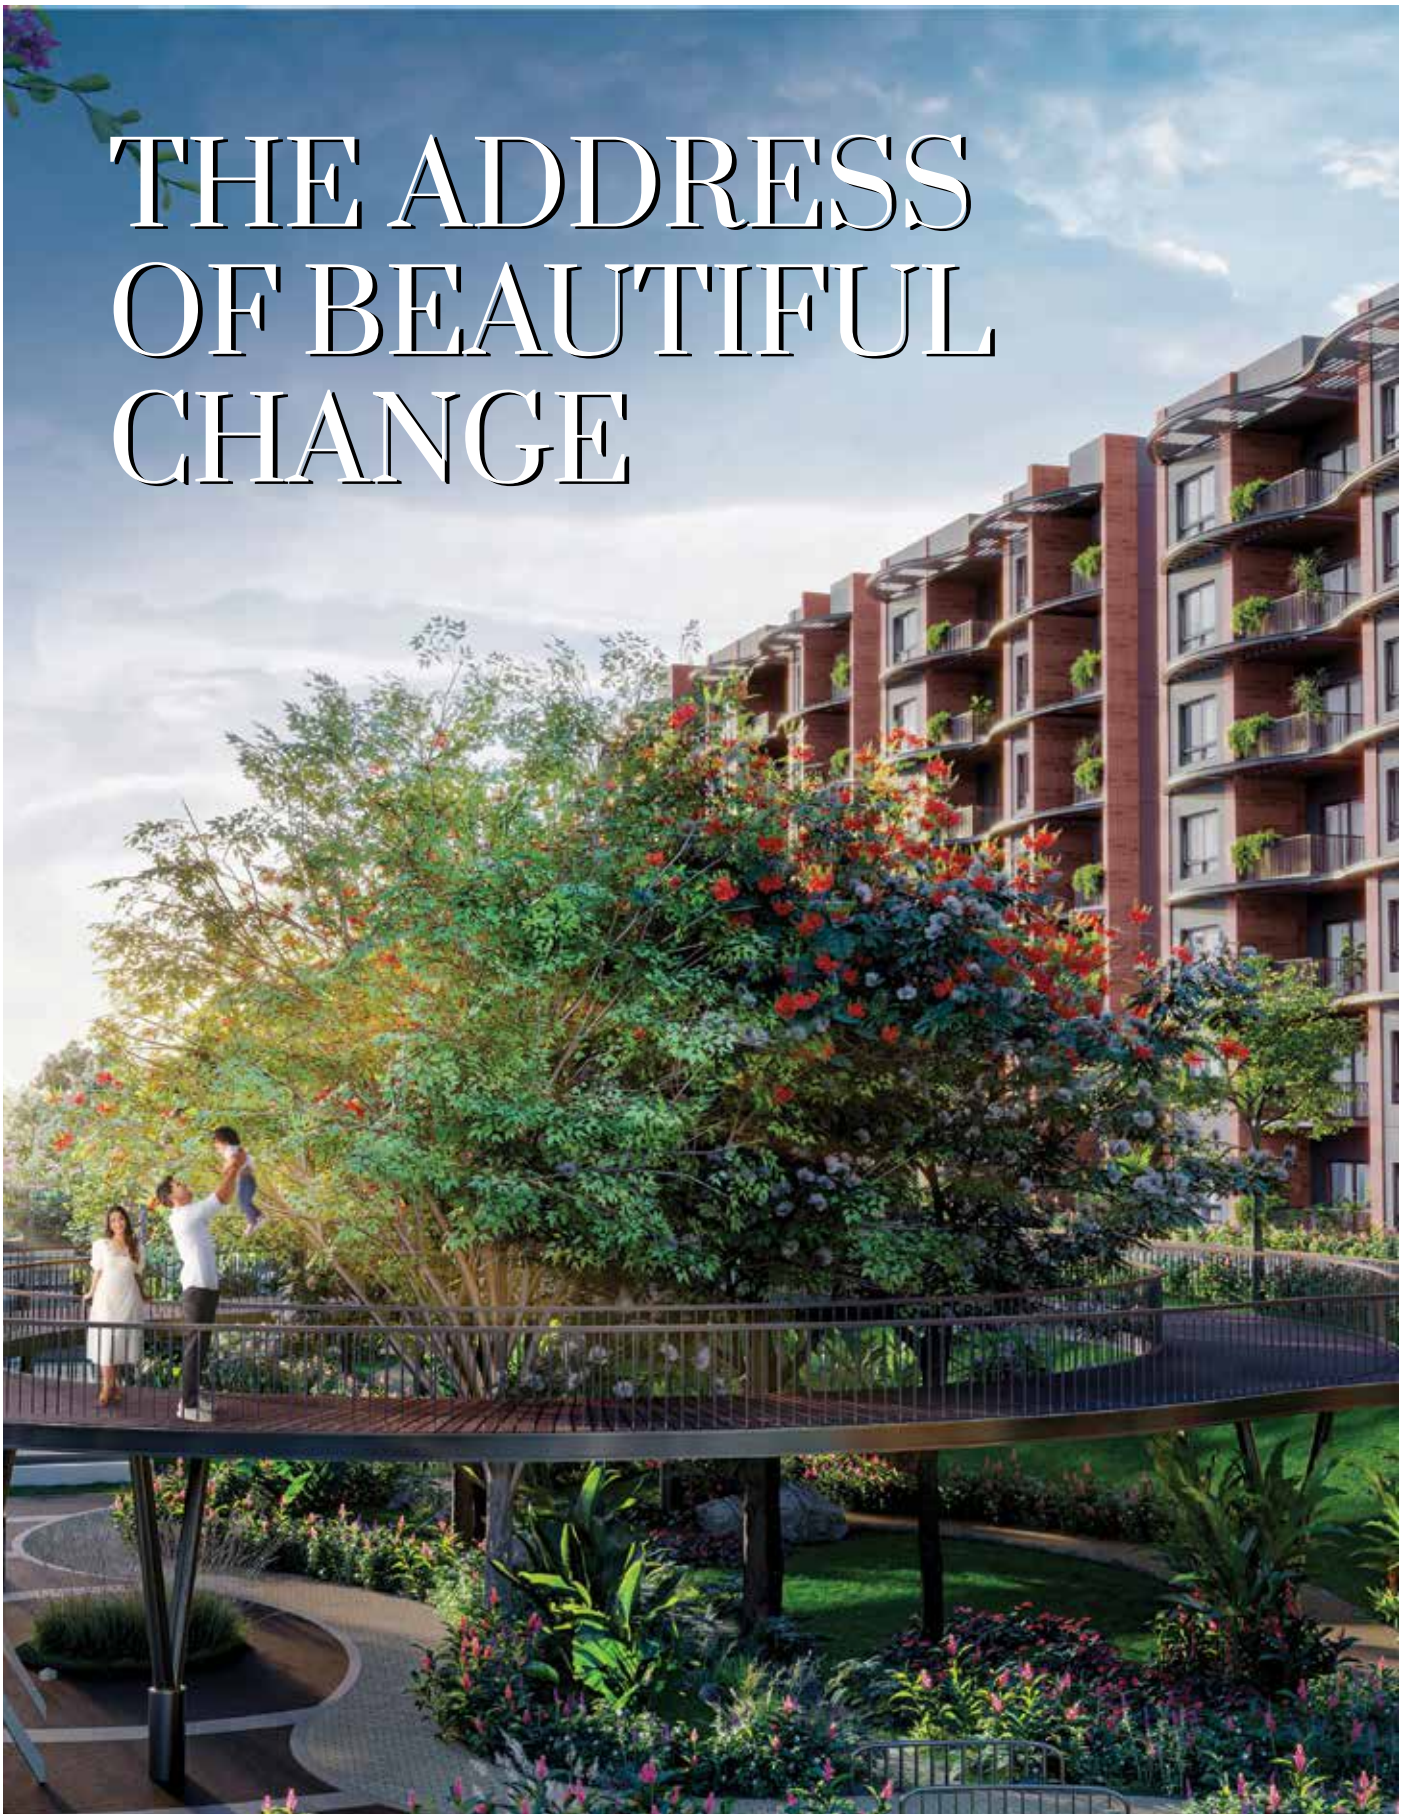

TABLE OF CONTENTS

Change always begins at home—it's where new habits take root, where dreams are nurtured, and where life truly transforms. When your home evolves, so does every aspect of your world.

If you could change something about your everyday life right now, what would it be? Maybe it's how you live, how you connect with others, or how often you get to enjoy nature. Or perhaps it's about staying more active, growing, and embracing new possibilities. Whatever change you're dreaming of, it all begins here.

CHAPTER 1: INTRODUCTION

STEP INTO A NEW CHAPTER OF MODERN LIVING.

Nestled in **Yelahanka**, this thoughtfully designed community offers **vast open spaces, luxurious amenities and a vibrant lifestyle.** This is more than a home—it's where beautiful change begins.

What would you want to change?

Change the way you experience nature

Expansive green spaces and gentle breezes make every moment refreshing and serene.

Change the way you live

Shift towards a better, more fulfilling lifestyle.

Change the way you stay active

Outdoor sports zones, walking trails and play areas inspire a healthier, more energetic life.

Change the way you connect

A B+G+6 community designed for meaningful relationships, open spaces and a close-knit neighborhood.

Change the way you look at growth

A location with seamless connectivity and long-term appreciation potential ensures a home that evolves with you.

CHAPTER 2: ABOUT US

RE-IMAGINING PEOPLE EXPERIENCE.

At CKPC, we're driven by a bold vision: to re-imagine how spaces are experienced across residential, commercial and healthcare real estate. From crafting homes to developing offices, business parks and hospitals, we design and build environments that inspire, engage and elevate everyday life.
